Recognition

Retina International and all our national member societies sincerely thank you for your time and commitment in helping **Retina International** fulfill its mission.

We recognize your personal contribution as a member of the Management Committee. We thank you for serving with such compassion and dedication, for your assistance in guiding **Retina International** from 2000 to 2014, and for being especially instrumental in supporting the growing organisations in Latin America. Your support has been extremely valuable, reliable and given with enthusiasm and for that we are sincerely grateful to you.
